

May 2014 Family Time menu item:

Dirt Cake

1 to 1¼ pound package chocolate sandwich cookies

1 (8 oz.) package cream cheese

½ cup butter, softened

1 cup powdered sugar

3 cups milk

1 (12 oz.) tub whipped topping

2 (3 1/2 oz.) pkg. instant vanilla pudding

½ teaspoon vanilla

12 gummy worms

Place chocolate sandwich cookies in a food processor, and pulse until fine. Divide a small amount into the bottom of four small clay pots.

Mix butter, cream cheese, sugar, and vanilla together. Set aside.

Combine milk and pudding mix, and fold whipped topping into the pudding.

Combine the pudding mixture and butter-cream cheese mixture. Add a third of the mixture to the pots, and alternate layers with the cookie crumbs making sure to end with the cookie crumbs. Hide a gummy worm in each pot as you assemble the dessert, and place several gummy worms on the top of the dish. Chill in refrigerator for 3 to 4 hours before serving.
